PROBLEMS

- Poverty
- Inequality
- Global Warming
- Sexual Harassment
- Global Pandemic
- Government is not up to the mark. Which is one of the reasons for the above problems.

SOLUTION: Awareness, Changing ourselves

Creating an App for maintaining your timetable accordingly. Creating a separate column for awareness and what can be done to change ourselves and protect our environment. This app will also help you do all the tasks that you listed that you would complete before going to bed. An interactive and user friendly app
